### [Three Greek Words for Life in the New Testament and How They Apply to Us](#)

(Bibles for America)

“God is not interested in human beings becoming more refined and cultivated by themselves, in their own life and by their own effort. What He wants is for His *zoe* life to increase in us, and for us to live by His *zoe* life and to live out His *zoe* life. Then the riches of His divine life will be lived out of us,

and He will be manifest in our living to the people around us.”

### [Life in Three Dimensions](#)

(James R. Edwards)

“The source of *zoe* is God alone, which makes *zoe* quintessential life, God-intended existence. *Zoe* is unimpaired life, the divine genetic code imparted to creation itself. Since it bears the integrity of the one God, *zoe* does not appear in the plural form. God is never identified by *bios* in the New Testament, nor even by *psyche*. Whenever the New Testament speaks of God’s life it uses *zoe*.”

### [Zoe—Life](#)

(Total Life Ministries)

“We have New Life! But do we Christians really grasp what we have? Our counseling experiences reveal that, too often, many of us do not. For sure, some know they now have a ticket to heaven. But they don't realize that this new life should thoroughly change their lives in the here and now. And so they go on living much like they did before they came to Christ, thus missing His fellowship and blessings.”
